COSMETICS

Our Philosophy

Sapon Cosmetics company holds a leading position in natural hotel amenities production in Greece. Our products are considered top choice among the luxury hotels and villas throughout Greece.

We provide high quality products with Greek olive oil as the main ingredient and a special combination of scents, herbs and citrus fruits. We specialize in the category of natural handmade soaps in various sizes. Choose from our catalogue or we can produce according to

your needs. Tailor made soaps & packaging. Make the hospitality of your guests, unique, special, unforgettable, luxurious. Leave your own mark and make them feel the Greek tradition through pure care.

- Natural oils and Herbs
- Plastic free
- Eco Packaging

Skin care line

LUXURY DESIGN SOAPS — 50gr

Our handmade soaps need one month of maturation to be used. In this way, their ingredients are kept active, and they retain their healing properties.
